REGIONAL SALE OF

# SHORTHORNS

**JAMESTOWN, N. DAK.**

**THURSDAY, OCT. 22, 1959 - SHOW 9:00 A.M. - SALE 1:00 P.M.**

**SPECIAL 4-H CLUB CALF SALE**

## ANNOUNCEMENT

Each year the Regional Shorthorn Show and Sale held at Jamestown, N. Dak., has grown in size, territory that it reaches and in public popularity. The consignors of cattle to this year's event, who are from Montana and North Dakota, have again reserved their very finest products to further cement the prestige that this annual sale enjoys.

These cattle have been screened by inspections made by various competent Shorthorn men who are interested in the welfare of the Shorthorn breed and the continued success of the Regional Shorthorn Sale, and feel that the consignments will prove to be one the top offerings ever offered at any consignment sale in the Northwest.

There are numerous top herd bull prospects—in fact, some of the very best individuals you can find both as to type and breeding will be offered. Real commercial and farmer bulls will be available in numbers to satisfy the needs of any cattleman. Regardless of what your bull needs might be you can find it in this sale!

The female offering is equally as desirable as the bull offering. Herd replacements or foundation females will be found here. Also numerous heifers that will be eligible for the Valley City Futurity show will be offered. They are as desirable as any you can locate in any area and many of them are bred or will sell with breeding privileges to some of the top young herd bulls in the nation. It is no idle boast that the Northwest has some of the greatest bulls in service of any herds in the country.

Shorthorns that have been previously sold at Jamestown have gone on and done a grand job for their purchasers. The sale offering this year is literally studded with gems of the breed—there is no better place to buy quality Shorthorns at reasonable prices than in the Sixteenth Annual Regional Shorthorn Show & Sale to be held at Jamestown on Thursday, October 22, 1959.

We sincerely hope to see each and every one of you at Jamestown and please accept this message as a personal invitation from the consignors for you to be their guest on this day. Those of you who have attended this event know that it has become an annual must—for those who have never been in attendance we are quite frank when we say that you have been missing one of the outstanding livestock sales in this area. We'll be looking for you!

## SHOW

We are indeed happy to announce that Harold Hofstrand, Leeds, N. Dak., will be our judge. His placings will determine the selling order of this grand offering. The show will commence promptly at 9:00 A.M. on Thursday morning—the day of the Sale!

A judging contest will be held in conjunction with the show for young people. Cash certificates towards any purchase will be made to the 1st three winners of \$50, \$30 and \$20.

## TERMS AND CONDITIONS

The Sale will start at 1 p.m., Thursday, October 22, 1959 at the Jamestown Fair Grounds Pavilion.

**TERMS:** All sales are cash or according to arrangements made between the buyer and seller. Settlement must be made with the clerk immediately after the sale. All cattle will be at the buyer's risk as soon as sold but assistance will be given in loading, in compliance with buyer's instructions. All sales are strictly between purchaser and consignor and neither the clerk of the sale or sale manager assume any liability in any collection or adjustments concerning this sale, but will assist in handling of such matters, if necessary.

**REGISTRATION CERTIFICATES:** A registration certificate and transfer certificate will be furnished with each animal, and an application for registry will be furnished with each calf sold at foot or in dam. Breeding dates in the catalog are furnished by the consignor.

**GUARANTEE:** Health certificates will be furnished with each animal. All cattle are sold subject to a sixty-day retest for tuberculosis. Bulls are guaranteed to breed if properly cared for and not allowed to run with the herd. If a bull fails to breed he may be returned to the seller if in as good condition as when bought, and if after three month's trial he fails to breed, the animal will be replaced with one of equal value or the money will be refunded. Cows with calves at side are considered breeders and no further guarantee is given. All other cows and heifers over fifteen months at the time of sale are guaranteed to be breeders. Animals which are returned to breeders because they fail to meet the guaranteed statement will be at buyers's cost of transportation. It is understood the guarantee of the cattle consigned to this sale constitute a contract between the consignor and the purchaser of each lot. Any claim for adjustment because an animal is a non-breeder must be made within ninety days of the date of the sale. The sales committee does not assume any responsibilities in these matters.

**MAIL BIDS:** Mail bids may be sent to representatives of the Shorthorn World; American Shorthorn Breeders Assn., Jack Halsey, Auctioneer; Members of the sales committee; or Gilbert Elken, Jr., Sales Manager. Bids sent will be handled confidentially and conservatively in the interest of the bidder, if unable to attend. Any bids should be sent to the above parties in care of the Gladstone Hotel, Jamestown, N. Dak., sale headquarters.

**CLERK OF SALE:** National Bank of Jamestown and the James River National Bank.

**AUCTIONEER:** Jack Halsey, Des Moines, Iowa, and assisted in the ring by representatives of The Shorthorn World and the American Shorthorn Breeders Association, and other fieldmen.

**SALES MANAGER:** Gilbert Elken, Jr., Mayville, N. Dak.

## SPECIAL STEER CALF SALE FOR CLUB WORK

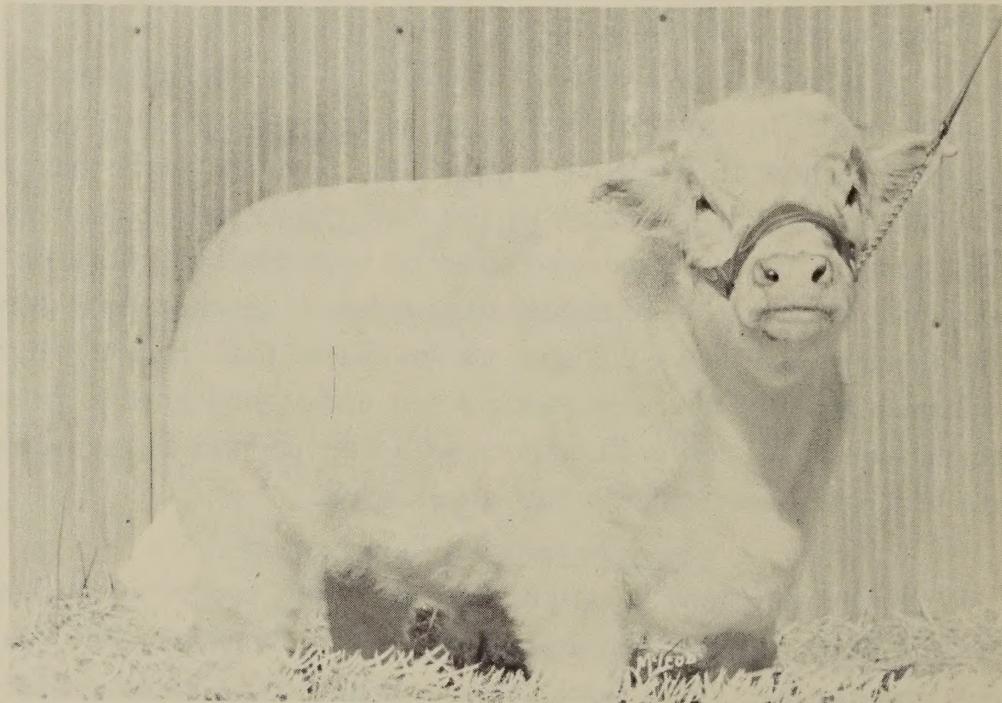

This year something new has been added to the Jamestown Sale. Many breeders, county agents, 4-H club leaders, and 4-H and FFA members themselves have wanted a steer calf sale in North Dakota. When and where to have it has been a big problem. Also getting a bunch of good calves away from their owners is not an easy task either but the four men have contributed these calves to this sale so enthusiastically and without hesitation so that young people will have a chance to get a good calf and know where to go to get it without traveling all over the country. We hope this will be the beginning of a good thing and we hope to enlarge this sale by multipules and have this sale by itself at this time of the year. We may be a little handicapped this year with two sales in one afternoon but these cattle will be sold fast without much time devoted to any animal. We hope you will bear with us and help us all you can by attending this sale and giving this "first" club calf steer sale a boost.

There is not a better project, hobby or what you may call it, for young people than a calf to watch grow and develop and for this boy or girl to have the feeling of accomplishment and having a big part in how this calf did. The lucky boys and girls that get these 40 calves will get some of the best calves available in the entire country. These calves are sired by very top Shorthorn bulls and while we hate to admit it, they are out of very good commercial Hereford cows. These calves have that Hybrid vigor you have probably heard so much about and it just goes to prove what a wonderful job a Shorthorn bull can do under any conditions and within or outside the breed itself.

Why not plan now to attend this Sale and see what is being done and see what you can do to help us and yourself. Get yourself a good bull to raise these top calves and take home either a heifer calf or a steer calf for your boys or girls. If you come to Jamestown, October 22, you can be assured that it will be a day well spent.

This is the sire of Warren Archer's 15 top calves. This bull was Grand Champion Over All Breeds at the 1957 North Dakota Winter Show.

This is Eldak Hercules, son of Millhills Fantasy, one of the 4 bulls in service at both Gladren Olson and Richard Qualley's herds. He is typical of all 4 bulls being used by these two men to get their top-notch calves.
